Worldwide City Sightseeing

Who We Are

City Sightseeing World Wide The world's leading open top bus tour operator

- 1998 - Established City Sightseeing brand
- 1999 - City Sightseeing franchise concept was launched at London Travel Market
- 2002-2003 - 70 tours with 250 buses worldwide
- 2012 – 128 Cities, 87 countries

The company City Sightseeing Tbilisi is a unique operator of double-decker buses-cabriolets, working on two main directions:

- Carrying out of regular excursions of the panoramic format of the hop on / hop off, which is very popular among Europeans and has attracted considerable interest among residents of Georgia;
- Bus rental for a variety of event-actions, meetings of delegations

Our Company, Our Brand, Our Philosophy

- City Sightseeing is the leading brand in tourist transportation operators using mainly double decker open-top buses on an international level.
- City Sightseeing is a franchised global brand where the image and corporate identity represent its most recognizable values. Through its franchisees, the brand is present in all 5 continents.
- The philosophy of City Sightseeing is focused on the creation of specific work conditions, as well as the improvement of communication through the use of collaborative tools.
